

Attachment 2. Eligible Applicant Documentation

- 1. Is the applicant a local public agency, as provided under CWC Section 10795? Please Explain.*

The Applicant is a County, which has an adopted Ground Water Management Plan (GWMP)

- 2. What is the statutory or other legal authority under which the applicant was formed and is authorized to operate?*

The County was created by an Act of the State Legislature on April 1, 1864

- 3. Does the applicant have the legal authority to enter into a fund grant agreement with the State of California?*

Yes, as a County created by an act of the State Legislature, Lassen County can enter into a grant fund agreement, and has done so in the recent past.

- 4. Describe any legal agreements among partner agencies and/or organizations that ensure performance of the proposal and tracking of funds.*

There are currently no formal agreements among partner agencies that bind Lassen County funds. Groundwater management district representatives and other agency representatives worked with the County to develop and implement the GWMP. The County is making the application on behalf of all of the groundwater management districts within its boundaries. The County also intends to coordinate with all agencies and organizations during project execution.
